Privacy Statement Your personal information is held by the TCT solely for the purpose of communicating with you about what we are doing and how you can get involved. *Your email address will be used to keep you informed about TCT activities and to share relevant information about village events and news. If you no longer want to receive information from us, you can opt out at any time by emailing us at secretary@thornhillstirling.org

What is TCT?

Thornhill Community Trust (TCT) was established in 2004:

- to benefit the community of Thornhill
- the advancement of community development (including the advancement of rural regeneration) within the Community;
- the advancement of environmental protection or improvement within the Community;
- The provision of recreational facilities or the organisation of recreational activities within the Community with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended.

TCT Membership gives you....

Thornhill Community Trust

Who can join TCT?

All residents (age 12 or over) living within the postcodes in or near Thornhill Village will be able to join TCT. If you live outside this area you can still register as a supporter of TCT and get involved in the projects. We have two membership categories: Junior members aged 12- 15 years old and Adult members 16 years and over.

What does it involve?

You can be as involved as you want to be! Being a member of TCT keeps you informed about activities going on in the community. It gives you the opportunity to comment on and influence current projects. Or you may wish to become actively involved in current projects and suggest new areas for development.

What TCT does is determined by its members - the people who live here, therefore having a strong membership base gives us a stronger voice when representing community interests. By joining TCT as a member you have direct influence over what is and is not developed by the community of Thornhill. In order to ensure we have the finances we need to run the organisation TCT is funded by donations and fundraising.

TCT provides a framework for volunteers to start up and run projects, apply for public funding, publicise the results and meet up with other volunteers. TCT also works closely with other groups such as Thornhill and Blairdrummond Community Council and the North Common Trust to work on projects. The Community Council has important statutory roles in planning and other key legal responsibilities, while TCT has the ability to raise and manage money and other assets for community benefit. Current TCT projects include Thornhill Views and the Thornhill Environment Fund.

What do the Trustees do?

TCT is a Scottish Charity Incorporated Organisation (SCIO) which means it has a group of Trustees to maintain an overview of TCT's activities and ensure the aims of the trust are fulfilled. The Trustees meet every 6 - 8 weeks to monitor how on-going projects are doing and discuss any new developments and how they can be supported. Some trustees are more directly involved in projects, while others are mainly involved through the discussions at the meetings.
